Dear Mr. Honea;

I was thinking about that long list of witnesses yesterday. It seems most of them resulted from Mr. Honea going to Chicago. Therefore ask him not to go to any of the addresses in Miami until after the trial starts, that way if Clerk send a couple division down there it will be too late to put them on the witness list. That part of the story just covers a few days anyhow and is not so important, as if you didn't destroy these papers just send all of them to Jerry. That's all for now.

Sincerely,
J. Ray
